Digital Scavenger Hunt!

Sunday, October 7th at 1:00 we will meet at the church for a Digital Scavenger Hunt.

“What in the world is a Digital Scavenger Hunt?” you ask. We will divide into teams, and like a traditional scavenger hunt, each team will have a list of things they need to find, but instead of returning with the item, you will take a picture of your group with the item. After traveling all over Northwest Ohio for a few hours, we return to the church for picture judging and pizza. This is a very fun, if somewhat competitive event. Each team will need a camera (so you can still come if you don't have a camera), one with a removable storage card is preferred. There will be a sign-up sheet next to Pastor O'Brien's office door. Please sign up with the number coming. As always, friends are welcome! (This is the type of event that is more fun the more people we have.) Also we are in need of ADULT drivers. Adults willing to help, please sign up as well.

Cyber Attack

Join us after worship on Saturday, November 17 (about 6:00). We will share a meal and then match wits with boy genius Eric McConnell, follow-

ing the clues to disable his computer hacking before time runs out. A sign-up sheet will be posted outside of Pastor O'Brien's office door.

Future Youth Events...

Youth/Parents: Our goal is to have one Youth Group event each month. We have rough plans for events through the end of the year, but 2019 is still unplanned. If you are willing to help with an event, serve a meal, or if you have an idea for an activity, please contact Pastor O'Brien and he will help you make it happen.
